Notification of a change to Synergy Tactical Asset Allocation Fund

Dear Investor,

We are writing to notify you of a change that will affect your investment in Synergy Tactical Asset Allocation Fund. Effective at the close of business on or about November 3, 2017, the fund will be merged into Signature Income & Growth Fund. Your units of the fund will be exchanged for the equivalent dollar value of units in Signature Income & Growth Fund, and Synergy Tactical Asset Allocation Fund will be terminated.

No action is required on your part as a result of this change. The management fee for your investment will not change, and no taxable disposition will occur because of the merger. Any optional plans that you established for your fund, such as an automatic purchase plan or automatic withdrawal plan, will continue with Signature Income & Growth Fund.

We are taking this action to reduce duplication and to simplify our lineup of mutual funds. The continuing fund will benefit from a larger asset base, which allows for increased portfolio diversification opportunities.

The two funds have similar investment objectives, as shown below. Signature Income & Growth Fund is managed by Signature Global Asset Management, CI's largest in-house portfolio management group, managing over \$50 billion in assets.

Investment objectives	
Synergy Tactical Asset Allocation Fund	Signature Income & Growth Fund
To achieve a combination of capital growth and income by investing primarily in equity, equity-related and fixed income securities of Canadian issuers. The fund may also invest in foreign securities.	To provide a steady flow of current income while preserving capital by investing in a diversified portfolio of securities composed mainly of equity, equity-related and fixed income securities of Canadian issuers. The fund may also invest in foreign securities.

The CI Investments Board of Governors, acting in its capacity as the independent review committee for CI funds, has reviewed the merger with respect to potential conflict of interest issues and has determined that it achieves a fair and reasonable result for the funds. The costs and expenses associated with the merger are being borne by CI, not the funds.

Further information about Signature Income & Growth Fund is available on our website at www.ci.com. Please enter the fund name in the search box at the top right of the home page to access the fund profile, performance and fund-related documents.

If you have any questions about this change, please contact your financial advisor or CI Client Services at 1-800-792-9355. Thank you for investing with CI.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark MacLeod". The signature is fluid and cursive, with the first name "Mark" and last name "MacLeod" clearly distinguishable.
