

Choosing a Post-Secondary Institution THAT'S RIGHT FOR YOU

My Program of Choice:

School 1:

School 2:

School 3:

Admission Requirements Do they offer early admission? Are there any non-academic (audition, essay, interview, tests, portfolio, etc), requirements?			
Tuition Cost per School Year			
Cost of Living Living expenses, books, transportation			
Programs Is this school strong in my discipline/study area?			
Reputation and Ranking Does this school have a strong academic reputation? Are the graduates successful?			
Financial Aid Are there scholarships, awards and bursaries available?			
Location is it easily accessible? Will I be able to visit home often?			
Teaching Facilities Is it updated? Is it modern? Do they have the tools I need to succeed in my program?			
Student Support Are there on-campus jobs? Do they have academic advising? Do they have a counselling and career centre?			
Vibrant Student Life Are there various student clubs? Are there social venues and different associations available to me?			
Accommodations & Dining on Campus Do I have guaranteed first year accommodation? What are the other options on campus? Are there many various dining outlets available?
